Safety is combined with Easy Riding in the NEW FORD V-8

A SOLID FRONT AXLE

(1) The structural advantage of a sturdy front axle of high quality steel is apparent to anyone. (2) The proper camber, caster and "toe-in" of the front wheels can also be maintained with consequent reduction in tire wear. (3) In and we'll show you what camber, caster and "toe-in" are.)

TRANSVERSE SPRINGS

(3) The heavy section of spring is attached to the frame. (4) The flexible, feather-like tips are attached to the axle near the wheels; they receive road shocks first and absorb most of them before they reach the frame. The rear wheels also have the same easy spring control.

RADIUS ROD BRACING

(5) In the Ford, regardless of braking stresses, alignment of the wheels and ease of steering are maintained by axle, radius rod and transverse spring. (6) The rear end of the radius rod is firmly fastened to the frame by a ball and socket joint which is insulated with rubber.

EASTER

The Easter celebration commemorates one of the most important events in the life of mankind either in the religious or secular sphere. It is a holiday which is not only a religious festival but also a social one. It is a time when the heart of the world is turned to the life of our Lord, who has been the centre of the highest emotion and also of the severest criticism.

To the casual observer it would seem that His death on the Cross was a dismal failure, and utter disappointment to those who had followed and believed in His Teaching and so Friday and the crucifixion have a world in absolute hopelessness. It is, however, just the testing time and Easter Morn comes to bring renewed hope and fulfilled promises and revive the faith of Men and establish again the better and aspiration and hope for a fuller development in a fuller life. So Easter Morn, ever revives the hope in the heart of Man, that there is a sphere of life where the trials, disappointments and failures of this earthly life shall no more exist.

In the world of nature as well the earth is preparing its fulfillment of a new life again in its trees, grasses, flowers and all burst forth in a song of gratitude for the life anew and the Hope Eternal.

OUR EDUCATIONAL SYSTEM

Recently in the Alberta Legislature the question arose as to what is wrong with our Educational system. A number of the members assumed a wise but puzzled look and passed on the question, deciding the system could take care of itself for another year.

One Porfirio Baker could put his finger on the trouble and declared the only thing to do was to set to work and right it at once. Mr. Lang of Medicine Hat asked why the curriculum of the three Prairie Provinces could not be the same, and why not?

CHEADLE

A kitchen shower was held at the home of Mrs. W. H. Hartell by Mabel Hartell and Lydia McLean in honor of Miss Ruth Kilron the bride elect of next month. About 20 girls assembled to enjoy games in which Helen Novak and Alma Howary were the fortunate winners. The many presents were carried in by the initiate bride and groom. Phyllis Hartell and David Brook, while Ruby Welsh later played the wedding march. After the presentation of gifts lunch was served after which the party broke up.

Mr. and Mrs. Russell Payne and family

ly left last Sunday for Mission, B.C. which will be their new home.

Mrs. A. S. Halmey from Glenora is spending the Easter holidays at the home of her parents, Mr. and Mrs. A. A. Konkin of Cheadle.

Mr. R. H. Wade returned last Wednesday from Vancouver where he attended the funeral of his youngest brother.

Mrs. D. S. Brook and family from Ardendale spent the week end at the home of Mrs. W. H. Hartell of Cheadle.

The play entitled, Go Shoo Mary, was a great success the audience loved the troubles of the young couple with the keenest delight. The players were: Dorothy Kruger, Lydia McLean, Irene Payne, Betty Wade, Margaret Kilron, Rita Craig, Ogden McLean, Eric Kruger, Jack Kilron, Bill Craig, and Roy Payne. The players presented Mrs. Kilron with a bouquet of carnations for her assistance in directing the play, supper and dancing followed, the music by Harold Payne's orchestra.

W. I. CONVENTION IN CALGARY

The Women's Institute Convention which met in Calgary last week proved a source of much inspiration to all in attendance, some excellent reports were presented and pleasant social contacts made.

Two outstanding resolutions of the Convention were: (a) That the women of Alberta should be removed as soon as possible, (b) That banks be requested to eliminate the exchange on all cheques from local organizations to charities. These were unanimously passed.

The President Mrs. J. T. Ferguson in her address stressed the use of leisure time as one of the challenges of his age, need for recreation in its widest sense to fill physical, mental and moral needs was urged.

A number of Girls Clubs have been formed in rural districts and are filling an excellent niche.

A banquet at the Hudson Bay and a Theatre party at the Grand completed the entertainment side of the program. Refreshments were chosen as the meeting place for 1935.
